The Kelly-Strayhorn Theater • April 2 thru 5, 2009

Featuring Theodore Watts, Jr., Leon S. Zionts, Christina McCann, Jim Scriven  
and Christine Laitta as Marilyn

**LEAVE IT TO MARILYN!** She's the go-to girl for whatever anyone needs. Money, time, a crash pad, help with homework, writer's block, baking a cake or planning the big event that nobody wants but Mom. • Until she snaps — and takes off for parts unknown. • Suddenly the person who always solves the problem has become the problem, and everyone is in a panic. • They're only human — and a bit dysfunctional — watch as they wind their way through the wreckage and savor the splendidly crafted songs of **ONLY ME**.
